

# OmniTech Global: Customer Operations & Returns Policy

**Document Version:** 3.2 | **Effective Date:** January 2026 | **Applicable To:** All Customer Channels

## 1. General Return Window & Conditions

Customers are entitled to return unopened or defective merchandise within the designated return window starting from the verified delivery date. Standard items (accessories, cables, chargers) have a **30-calendar-day return window**. High-tier electronics (laptops, monitors, headphones) have a strict **14-calendar-day return window**.

Returned items must be in original condition with all accessories, cables, and packaging intact. Items damaged through user negligence or unauthorized disassembly are ineligible for refund.

## 2. Order Cancellation Rules

- **Status 'Processing':** Orders can be cancelled instantly with an immediate 100% full refund to original payment method.
- **Status 'Shipped':** Orders in transit CANNOT be cancelled directly. The customer must receive the parcel and initiate a standard Return Merchandise Authorization (RMA).
- **Status 'Delivered':** Subject to standard return policies.

## 3. Refund Approval Matrix & AI Guardrails

To safeguard operations, all refunds and financial disbursements adhere to strict operational limits:

- **Tier 1 - Autonomous AI Approval:** Full refunds for defective or returned items up to **\$150.00 USD** within valid return window.
- **Tier 2 - Human Supervisor Escalation Required:** Any refund claim **greater than \$150.00 USD**, or claims initiated outside the standard return window, **MUST** be flagged as Pending\_Human\_Approval and transferred to a Human Lead.
- **VIP / Enterprise Customers:** Restocking fees are automatically waived.

| Product Category           | Return Window | Restocking Fee | Warranty Coverage | AI Auto-Refund Limit         |
|----------------------------|---------------|----------------|-------------------|------------------------------|
| Accessories & Cables       | 30 Days       | 0%             | 24 - 36 Months    | \$150.00 Max                 |
| Audio & Headphones         | 14 Days       | 0%             | 12 Months         | \$150.00 Max                 |
| Gaming Monitors & Displays | 14 Days       | 10%            | 24 Months         | Requires Supervisor (>\$150) |
| Laptops & Workstations     | 14 Days       | 15%            | 12 Months         | Requires Supervisor (>\$150) |

## 4. Technical Troubleshooting Requirement

Prior to initiating an RMA for technical defects, the support system **MUST** provide the standard troubleshooting steps (e.g., reset instructions, firmware verification) from the Product Knowledge Base. If troubleshooting fails, an RMA replacement or refund ticket is authorized.
